

Lancashire Best Kept Village Competition

Pen-Picture 2025

Communities
Working
Together

As the Judges for the Best Kept Village Competition come unannounced, the Pen Picture is a way you can communicate to them things you want them to know about your village.

Some ideas are below but please tell the judges any additional information you want them to have.

1 x A4 page maximum please

What special things do you want the judges to note?

Are the efforts to make the village look good orchestrated by a group of people, an organization, one person?

Do you leave individual houses to do things themselves or do you have sessions for litter-picking, painting benches, planting etc.?

Is there anything you want to explain to the judges (a work in progress, a problem area)?
